## **Brochure on Selection of Rajiv Gandhi Gramin LPG Vitrak (RGGLV) applicable w.e.f. December 14**

### **1. RAJIV GANDHI GRAMIN LPG VITARAN YOJANA (RGGLVY)**

Locations for setting up of Rajiv Gandhi Gramin LPG Vitrak (RGGLV) are identified broadly based on potential of average monthly sale of 600 LPG cylinders of 14.2 kg and 1800 customers with monthly per capita consumption of about 5 Kg, The assessment of refill sale potential is based on several factors including population, population growth rate, economic prosperity of the location and the distance from the existing nearest distributor.

Setting up of RGGLV at the identified location is a business proposition and has normal business risks and does not guarantee any assured returns or profits or any quantum of refill sale. It is extremely important to note that proprietor of RGGLV himself operates it and if need be he may employ one person for assistance.

### **2. RESERVATION FOR RGGLV**

The percentage reservation for various categories in all the States except Arunachal Pradesh, Meghalaya, Nagaland and Mizoram are as under: -

A	Open Category (O)	50.5%
B	Schedule Castes / Scheduled Tribes (SC/ST)	22.5%
C	Other Backward Classes (OBC)	27.0%

In each of the above categories, there will be sub-categories as under:-

Sub-Category	Reservation Categories (in %)			
	SC/ST	OBC	Open	Total
Government Personnel category (GP) consisting of Defence, Central/State Govt and Central/State PSU employees	2	2	4	8
Combined Category (CC) consisting of Physically Handicapped Personnel (PH), Outstanding Sports Persons (OSP), Freedom Fighter (FF)	1	1	2	4
Any person from the respective category	19.5	24	44.5	88
Total	22.5	27	50.5	100

The reservation under respective categories is SC/ST (GP)-2%, SC/ST (CC)-1%, SC/ST-19.5%, OBC (GP)-2%, OBC (CC)-1%, OBC-24%, Open (GP) - 4%, Open (CC)-2%, Open-44.5%.

State-wise '200-point' roster is maintained on Industry basis (i.e jointly by IOCL, BPCL and HPCL) to ensure the percentage reservations as mentioned above is achieved. The Distribution between SC and ST is as per the population ratio in the respective State.

Reservations for RGGLV in tribal areas in North Eastern States for Arunachal Pradesh, Meghalaya, Nagaland and Mizoram are as under: -

State	Percentage of RGGLVs to be awarded to ST category	Balance % to be awarded to open category
Arunachal Pradesh	70	30
Meghalaya	80	20
Nagaland	80	20
Mizoram	90	10

**3. ROSTERING OF RGGLV AS PER – 200 POINT ROSTER**

Locations identified for setting up of RGGLV are to be placed under different categories of reservation as per '200 point' roster for each State on Industry basis (IOCL, BPCL and HPCL together) so as to ensure the percentage reservation as envisaged by MOP&NG for each category is achieved.

In '200-point Roster' allocation of a reservation category against a serial number is done such that when 200 numbers of RGGLV's are planned, the percentage of each category is achieved. Continuity is maintained in '200 point roster'. Once 200 roster serial numbers are completed, it is started from roster serial number 1 again.

The Distribution between SC and ST shall be as per the population ratio in the respective State.

**4. DE-CATEGORISATION**

For LPG distributorships planned under the present guidelines, following norms for de-categorisation will be applicable:

- a) For reserved sub-category locations "GP" (Def+ Govt./PSU) and "CC (PH+OSP+FF)", in case of 'Nil' response to the advertisement or no eligible candidate is found or no candidate qualifies or no selected candidate is able to commission the RGGLV, then that location would be re-advertised in the respective category without sub-category i.e. locations will be advertised as SC/ST, OBC or Open category as applicable.
- b) For the location advertised /re-advertised under 'SC/ST' or 'OBC' category, if there is 'Nil' response or no eligible candidate is found or no candidate qualifies or no selected candidate is able to commission the RGGLV, then that location would be re-advertised under 'Open' category.
- c) However, it is to be ensured that the reservation is maintained on overall basis by respective OMCs while de-categorisation of the locations from earlier roster by converting corresponding number of RGGLV locations under 'Open' category from the new roster to 'SC/ST' and 'OBC' category. In other words, shortfall in SC/ST and OBC category has to be made good in the future marketing plans.
- d) With regard to reserved categories 'GP' & 'CC', reservation percentages will be maintained only at the time of initial categorisation. In other words, once the category of such locations is changed after the first advertisement as no candidate has applied or no eligible candidate is found or no candidate qualifies or no selected candidate is able to commission the RGGLV, no adjustment in the roster would be made under the future marketing plans.

**5. MODE OF SELECTION OF DISTRIBUTORS**

Selection will be done by inviting applications through advertisements in 2 vernacular newspapers – one with widest circulation in the State and other with widest circulation in District in which RGGLV is to be setup.

Selection of RGGLV for an advertised location is done by draw from all the eligible applicants for that location.

Only Individual applicants would be eligible. However, all RGGLVs will be in the joint names of applicant and his/her spouse i.e wife/husband will be co-owner of RGGLVs as 50% partner for which a registered partnership deed is required to be submitted by the selected candidate before issuance of Appointment letter/ signing of Distributorship Agreement.
