

INDIAN OIL CORPORATION LIMITED NORTHERN REGION PIPELINES PANIPAT

Advertisement No. NRPL/P&A/P/Rectt./2013

We thank the applicants for responding to Advertisement No. NRPL/P&A/P/Rectt./2013 notified by us in November 2013.

Candidates whose applications were incomplete or were received after due date or did not meet the eligibility criteria were summarily rejected. Further, since a large number of applications were received, we were constrained to short-list the candidates for written test based on the minimum percentage of cut-off marks in the prescribed qualification, as was also mentioned in our notification dated 08.11.2013.

We have uploaded the details of candidates who have been short-listed for written test on the website. The admit cards have been despatched to these short-listed candidates on 24.01.2014 by ordinary post at their respective correspondence address.

The written test for all the vacancies would be conducted on 16th February 2014 at Arya P.G. College, Opp. Bus stand, Panipat (Haryana) from 10 AM to 11 AM. Candidates are advised to report by 0930 AM.

Candidates whose name figures among the short-listed candidates and who do not receive their admit cards by 5th February 2014 may inform us about the same at recruitmentnrpl@indianoil.in by clearly mentioning their **Name**, **Post applied for** and **Roll Number**. Such requests must be made **between 6th and 13th February 2014 only**, preferably from the e-mail account mentioned by the candidates in their original applications. We would issue duplicate admit cards to such candidates at the test venue itself, subject to verification from a valid photo identity card like PAN, Driving license, Aadhar card or Voter card. Such candidates would be required to bring additional photographs (matching with those used in the application form) along with all original documents and attested copies thereof in support of their eligibility.

The paper would comprise multiple choice questions (MCQs) which will include technical questions, questions of General knowledge and aptitude. Result of the written test would be declared on 16th February 2014 itself at the test venue around 1730 hrs.

Candidates may note that based on their performance in the written test on 16th February 2014, they would be further short-listed for Trade test (Physical fitness test for Technical Attendant-I) and interview. For such candidates, the Trade test/Physical fitness test & interview would be conducted at Panipat itself on 17th and 18th February 2014, therefore outstation candidates may plan their travel accordingly. Please note that no boarding/lodging would be provided by IOCL to such candidates.

Any modification/change would be announced on this website itself, therefore candidates are advised to check the www.iocl.com for updates, if any.

Queries, if any, may be addressed to recruitmentnrpl@indianoil.in
